Commissioners' Report

In compliance with the Public Laws of New Hampshire we, the Commissioners of Coos County, herewith present our annual report for the year ending December 31, 1936, together with the reports of the Treasurer, Clerk of Court, Solicitor, Sheriff, Superintendent of County Farm, House of Correction and Jail, Physician, Auditors, Chaplain and Priest.

As another milestone has passed let us review some of the happenings of the year. In March we had at the County Farm, as well as in other sections of the state, the highest water on record, doing a great amount of damage to lands and buildings throughout the entire county. Fortunately no damage was suffered to buildings at the Farm, but considerable damage resulted from the Connecticut crossing the meadow, displacing fertile soil and leaving in its wake a great amount of debris.

During the past summer considerable has been accomplished in the way of building a wall along the river bank, which when completed will prevent future damage from this source. Many acres of land that has laid dormant for years has been added to fertile fields that has been acclaimed from waste pastures during the past five years, which has resulted in a record harvest of crops. Rocks which were removed from these fields were used in building the wall along the river edge at very little expense.

On October twenty-second our new barn, built from funds obtained from PWA and from the County, constructed by the Cummings Construction Co. of Ware, Mass., was completed, inspected, accepted, and occupied, accommodating some over one hundred head of cattle and eight horses. In this barn and dairy we take pride and invite the public to come and inspect the entire property, in which we all have a common interest.

This, our constituents, is a brief review of some of the activities of your servants as County Commissioners. In serving you as such we have endeavored to give our best. Our duties and responsibilities have been greatly increased during the past year. But

we should deem ourselves ungrateful if we should not take this opportunity to extend our sincere thanks and express our gratitude to the citizens of Coos County for the wholehearted cooperation and assistance given us, especially in our efforts to relieve pain and suffering brought about by misfortune and circumstances, for which the individuals are not themselves responsible. It is very gratifying to realize that through the confidence of the people there has been placed upon us a real duty to perform and as fully do we realize that were we to fail in performing this duty in a humane, economic, and businesslike manner we would no longer be worthy of your confidence and trust.

We feel that we have been especially fortunate in maintaining the services of the personnel connected with the offices maintained in Berlin, Northumberland, and Colebrook, and to them we extend our sincere thanks for the faithful, untiring services they have rendered in carrying on this noble work.

In no less degree do we appreciate the efficient services of the staff employed at the County Hospital and Farm. We also wish to express our gratitude to the members of the County Delegation for making it possible in a financial way for us to carry on the affairs of the county.

We extend our thanks to all physicians, to Miss H. H. Albee, the Rev. J. E. Vachon, Miss Russell, Blanchard Sons Co., to all county, town, city and state officials for their kind cooperation.

Although April first will bring about the replacement of one member of our board, yet we will review with gratitude our associations and our accomplishments. We wish to assure the public that with the new member and in the future we will be united in the best interests of the county.

Respectfully submittel,
CLARK E. SWAIL,
A. N. McCREADY,
J. A. POTTER,
County Commissioners.

Berlin, N. H., January 20, 1937.

We have examined the accounts of the County Commissioners of Coos County, and find that they have been accurately kept in respect of receipts and expenditures as set forth in detail in the foregoing statement, that they have exhibited a voucher for every expenditure. The County Treasurer, Mr. Harry Kilgore, has deposited with the Clerk of the Superior Court all bonds, coupons for interest and notes paid during the year 1936.

FRED C. CLEVELAND,
ROBERT RICH,

County Auditors.

Report of Superintendent of County Farm

To the Honorable Board of Commissioners of Coos County:

We herewith submit the annual report.

An annual report does not permit complete details relating to the many gifts, or to adequately express suitable appreciation to each of the friends of the institution who have so liberally contributed them.

We have received books from different libraries, magazines from several newsdealers and individuals, many from friends on the Vermont side of the river.

Much credit is due to Mrs. Clark E. Swail for the sewing that was done, in Colebrook, making sheets, pillow cases, towels, etc., for the hospital.

The Rev. H. H. Albee and the Rev. Father J. E. Vachon for their faithful attention to both patients and inmates.

We are thankful for all help received and for the loyal co-operation of all employees.

The highest water known in the Connecticut River's spring freshet history damaged the meadow, making it necessary to do a lot of grading and build a retaining wall of heavy stone.

The new barn is completed.

Respectfully submitted,

OWEN F. COLE,

Superintendent.

EUGENIA L. COLE,

Matron.

The suit on behalf of the County against the Fidelity and Deposit Company of Maryland was settled by payment of the sum of \$11,786.34 to the County. Suit was brought in this case against the bonding company to recover any loss the County might incur by reason of the former County Treasurer having on deposit in the closed Berlin National Bank more county funds than allowed by law. This settlement reimburses the county for the exact amount of its excess deposit.

There are no civil suits pending on behalf of the County, nor have there been any suits brought against the County during the past year.

Two hunters were shot in our county during the hunting season, one fatally and the other very seriously. The county spent considerable money investigating the cases and while neither are solved as yet, I feel that the money has been well spent.

During the past year, I prosecuted numerous violations of various laws as the same were called to my attention by complainants.

Once more I wish to take this opportunity to express my appreciation for the fine cooperation from Sheriff Colbath and all of his deputies, and from Chief Hynes of the Berlin Police Department and the other police officers throughout the county.

Miss Anna Russell, Agent of the Coos County branch of the New Hampshire Children's Aid and Protective Society has been a great help to me in cases involving children and non-support cases. She has given her time freely and we are fortunate in having a branch of this worthy organization in our county.

Respectfully submitted,

WILLIAM LEHNERT,
Solicitor.

Chaplain's Report

To the Commissioners of Coos County Almshouse and Jail:

Gospel services have been held regularly as usual during the months of the past year. Calls have been made and other ministrations offered as need has been evidenced. It is gratifying to see needy and helpless ones supplied with the comforts and care their very condition demands as has ever been witnessed in our visits. We rejoice at all times to commend suffering lives and sin-shackled souls to the all-gracious One of whom it is written, "The Spirit of the Lord God is upon me; because the Lord hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the broken-hearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound; to proclaim the acceptable year of the Lord."

Frequently have visitors in our midst brought helpful gospel testimony. The Colebrook W. C. T. U., as has long been their custom, offered freely of time and supply for a Christmas "Good Cheer Day", neighboring pastors and workers aiding in bringing a varied and pleasing program.

Respectfully submitted,

H. H. ALBEE,
Chaplain.

To the Commissioners of Coos County:
Gentlemen:

I have but laudatory words to express about the fair-minded spirit that reigns among the officials of the Almshouse and Jail and the personnel for their endeavor to maintain it.

The eagerness that stimulates the superintendents, the doctors and nurses to grant to all patients the spiritual solace they need is always a great comfort to the Chaplain, and I rest assured that it will continue, because the past is a guaranty of the future.

Respectfully submitted,

REV. J. E. VACHON,
Catholic Chaplain.
